To whom it may concern

Dear Sir/Madam

This letter serves to confirm that ITS Systems Pty Ltd is a service provider for Zambezi Country Estate HOA rendering the following services:

- CCTV System (Hik-Central Solution)
- Access Control (Facial Solution)
- Electric Fence (Stinger Solution)
- Fibre & Copper Network Infrastructure
- IT Support
- Ongoing SLA

We are happy with their service and commitment over the years. For the five (5) years that I personally worked with them, I have seen their dedication and the pride they take in their work. We would recommend them for the above services.

We hope you find the above in order.

Yours faithfully
